

Invitation to the third workshop - Recovering From Emergencies

Ealing and Hounslow CVS and Ealing Council will be hosting Community Resilience workshops across Ealing. We invite community groups, charities, businesses, people from the faith sector to join. Join us in our third workshop on **Recovering from Emergencies**

Why are we doing this?
We're running these workshops to enhance connections between community groups, the emergency response services and the council. With the aim to better respond to major emergencies, we will all work together to build our community's resilience.
