Being part of the volunteer team at Healthwatch Ealing - the independent consumer champion created to gather and represent the views of patient and the public - you will play a role at both local and national level to make sure that people experiences of health and social care are taken into account.

We speak to patients and local groups to find out what their health issues and priorities are, and listen to people from every part of our community, across the Borough of Ealing. We collate patient experiences anonymously, which feed into reports for health and social care commissioners and providers (e.g. hospitals, GPs, care homes etc.) and summarise the main themes and issues raised.
